DEEPLY DIVINE CHOCOLATES

The word Chokola,  
comes from the Mayan word that means  
'To drink chocolate together'

The commitment of sharing pure  
indulgent chocolate with the world is what inspired  
Vasudha Munjal Dinodia, a third generation  
entrepreneur from the illustrious Hero Group  
to create artistry with chocolate.

Struggling to find quality chocolate in India  
she decided to bring the best quality ingredients  
from all over the globe and produce  
world class chocolates in India.

*“The secret ingredient  
Is always chocolate”*
